Description of the Authorized Use by Allotment Report

Description:

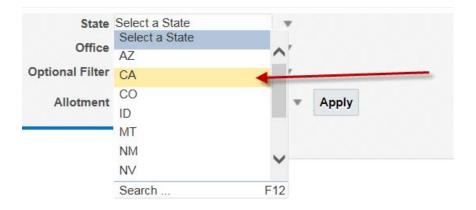

- This report will list the authorized use for a specific allotment. The report contains the following groups of data:
- Core information: state/office administrating the allotment, identifier, name, plan type, etc.
- Authorization information: which authorization is using the allotment and which office is administrating the authorization.
- Schedule information: for a given authorization the specific usage is listed.

Running the Allotment Master or Authorized Use by Allotment Report

1) Click on the drop-down arrow to display the BLM Administrative State selection list.

State	Select a State	v 4	
Office	Select an Office	•	
Optional Filter	All	v	
Allotment	Select an Allotment	w	Apply

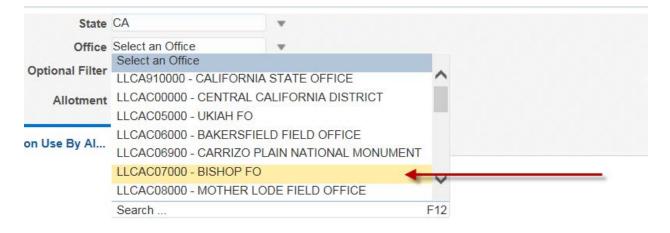

2) Click on the BLM Administrative State to select it.

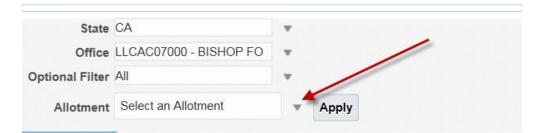

3) Click on the drop-down arrow to display the BLM Administrative Office selection list.

State	CA	w		
Office	Select an Office			
Optional Filter	All	•		
Allotment	Select an Allotment	•	Apply	

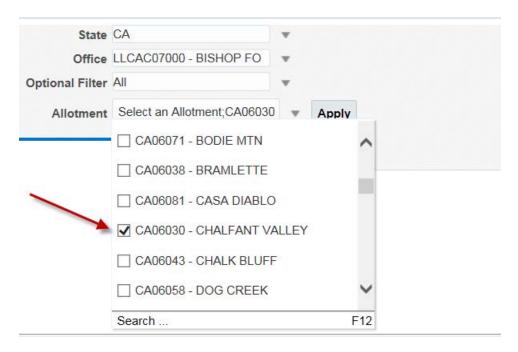

4) Click on the BLM Administrative State to select it.

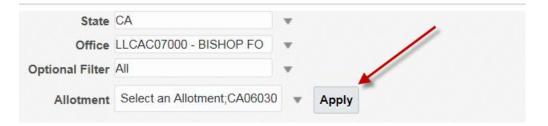

5) Click on the drop-down arrow to display the BLM Administrative Office selection list.

6) Click in the checkbox to select the allotment(s) and then click anywhere outside of the selection list to close the selection list.

7) Click Apply button

8) You may be prompted to open or save. If you are not prompted to open or save, or if you cancel that prompt, click on the red and white View Report icon drop-down.
