1. ***What are RAS reports?***
   There are five public Range Authorization System (RAS) Reports: Allotment Information, Allotment Master, Authorized Use by Allotment, Operator Information, and Permits Schedule Information.

2. ***Can I create a new report or edit an existing report from this website?***
   No. The reports contained on this website can be viewed, butnot edited or created.

3. ***How often are the Reports updated?***
   The Public RAS Reports are only updated when changes are made to the internal RAS transaction system.

4. ***What does AUMs stand for?***
   AUMs stands for Animal Unit Months, which is the unit used to charge a rancher for land use, depending on the type of animal.
